

FPOM TASK GROUPS
(proposed members)

The following list is for tentative membership into various FPOM task groups, subject to change upon agreement at or between the July/August 2004 FPOM meetings. Please bring your suggestions for membership into these groups, and we will revise this list accordingly at or subsequent to the July meeting. This list was derived from a November 21, 2000 MFR, Subject: FPOMCT Task Group Updates and Status.
