

FPP Change Form

Change Request Number: 09BON001

Date: 9/23/2008

Proposed by: FPOM

Location of Change: 2008 FPP BON-11 section 2.1.2

Proposed Change: include jacks in counts for splitting flows.

“ When adult and jack salmonid counts equal or exceed...”

Reason for Change: Jacks should be included in the fish counts since they are salmonids passing the dam.

Comments from others: All agencies at FPOM agreed to the change.

Record of Final Action: This change will be included in the 2009 FPP.
