

Draft FPP Change Form

9/14/07

Change Request Number: 08BON_007

Date: 10/31/2007

Proposed by: Project Fisheries

Location of Change

Table BON-9.

Proposed Change:

Remove the diffusers that are normally closed.

Reason for Change:

These diffusers are not automated. They cannot move without significant manpower. Removing the closed diffusers helps clean up the document. It also puts the focus on the important diffusers, the ones that should be open.

Comments from others:

Record of Final Action:

Added language saying all other diffusers should be closed.
