

**Draft FPP Change Form**

9/14/07

**Change Request Number:** 08JDA\_003

**Date:** 10/4/2004

**Proposed by:** Project Fisheries

**Location of Change**

JDA 2.4.1.2.p.8

**Proposed Change:**

Discuss the dewatering of the PDS for adult removal during fish passage season.

**Reason for Change:**

**Comments from others:**

Project Fisheries says the PDS hasn't been dewatered in years.

**Record of Final Action:**

It was decided to leave the language as is, so if the PDS ever needs to be dewatered, guidance is already in place.
