**MEMORANDUM FOR THE RECORD**

**SUBJECT: *23JDA16 Spill Gate #12-Offline Due to Brake Failure***

On Thursday 11 May 2023, at approximately 1240, Spill Gate #12 was closed and taken out of service due to over traveling and brake failure.

Crews are working to correct the issue. However, currently the return to service date is undetermined.

Future and Preventative Measures – Maintenance is using a new brake assembly because original assemblies cannot be sourced due to their age.

Sincerely,  
JDA Project Fisheries
