The Dalles Lock & Dam

Heather Bragg
Hydrologic technician
Oregon Water Science Center
2130 SW 5th Ave.
Portland, Oregon 97201-4976

Dear Ms. Bragg:

This is in response to your February 2, 2015 letter requesting access to The Dalles Dam for water-quality data collection operations and access to the northeast corner of the upper deck of the powerhouse.

Prior to beginning work, please arrange a meeting with Mr. Paul Keller, 541-298-7509. You will need to provide a Project impact statement, job hazard analysis, and a personnel list. Please send electronic copies of these documents to Mr. Keller, Paul.S.Keller@usace.army.mil and Ms. Tammy Mackey, Tammy.M.Mackey@usace.army.mil.

Please remain in contact with Mr. Keller throughout your time at the dam. There are many researchers and contractors working in the area so work to ensure good communication and cooperation between agencies and organizations.

A copy of this letter has been posted to <http://www.nwd-usace.army.mil/tmt/documents/FPOM/2010/NWP%20Research/Research.html>

If you have questions regarding this correspondence, please contact Mr. Keller via e-mail or by phone, at 541-298-7509.

Sincerely,

A handwritten signature in cursive script that reads "Ron Twiner".

Ron D. Twiner
Operations Project Manager
The Dalles Lock and Dam
