I understand that it is unlawful to transport or stock fish without a permit issued by the Oregon Fish and Wildlife Commission. Failure to comply with any provisions of this permit or to perform any act not included in this permit shall be grounds for revocation of this permit and shall constitute a class A misdemeanor (crime), punishable by a fine of up to \$6,250 and/or up to one year in jail.

Restrictions/Authorizations:

Permit Status: Approved Permit Date: 3/7/2017 Permit Expiration Date: 5/30/2017

Please note the following additional conditions as they may apply to this permit.

1. Purchaser copy of valid permit must accompany fish during shipment and be retained at destination.
2. Fish health inspection reports must be provided with any requests to import fish or eggs into Oregon.
3. Shipper/buyer must obtain any other permits or inspections required for transport or import to final destination.

NOTE: It is unlawful to transport or stock fish without a permit issued by the Oregon Fish and Wildlife Commission. Failure to comply with any provisions of this permit or to perform any act not included in this permit shall be grounds for revocation of this permit and shall constitute a class A misdemeanor.

Issued for the Oregon Department of Fish and Wildlife.
