

SCIENTIFIC COLLECTOR'S PERMIT

1. This Scientific Collector's Permit is issued by authority of the Yakama Nation pursuant to its status as a self-regulatory manager of fish and wildlife resources within its ceded lands.
2. The undersigned agencies, entities, or persons are authorized to take fish and wildlife species listed below for scientific purposes only, subject to the conditions of this permit.
3. This permit is non-transferable. Agencies, entities, or persons not listed on this permit may not collect fish and wildlife species under authority of this permit.
4. A report of take must be completed and returned to the tribal Fisheries Resource Management Program at termination of sampling activities.

CONDITIONS:

Location, species and number to be taken: To support CRITFC member Tribes Lamprey translocation programs, in 2020 a total of up to 1,952 adult Pacific Lamprey will be collected through trapping operations at Bonneville Dam, The Dalles Dam, and John Day Dam on the lower Columbia River. Allocations at each dam are calculated according to guidelines in the CRITFC Tribal Pacific Lamprey Restoration Plan, and for 2020 are as follows: up to 976 adults at Bonneville Dam, up to 671 adults at The Dalles Dam, and up to 467 adults at John Day Dam.

Disposition of catch: All adult Pacific Lamprey will be collected and held for up to 48 h in tanks at the Bonneville Dam Adult Fish Facility or tanks at the John Day Dam Juvenile Bypass facility until being transferred to CRITFC member Tribe biologists at John Day Dam. Some holding may occur at The Dalles Dam if facilities are available. CRITFC member tribes will transport lamprey in oxygenated tanks to their respective holding facilities and ensuring the health of lamprey during transport.

Agency, entity, or persons authorized to take fish and wildlife under this permit: Columbia River Inter-Tribal Fish Commission and the following staff: Laurie Porter, Greg Silver, Devayne Lewis, and any temporary staff (that have not yet been hired).

Dates or duration of sampling activities (not to exceed current year): May 1, 2020 to September 30, 2020

Other specific conditions:

Signature of Authorizing Official:

Gerald Lewis, Chairman
Fish and Wildlife Committee
Yakama Nation Tribal Council

Date: 03.17.2020
