MEMORANDUM FOR THE RECORD

SUBJECT: 14 LMN 06 Fish Loss at Lower North Fish Ladder Walkway

Narrative:

On Thursday, November 13 an adult unclipped Steelhead was found under the walkway deck of the lower north ladder. A section of netting was installed in the most probable place that the fish likely jumped through. This should prevent reoccurrence.

- A. Species:** Unclipped steelhead adult.
- B. Origin:** Unknown.
- C. Length:** 23"
- D. Marks and Tags:** None.
- E. Marks and Injuries Found on the Carcasses:** None.
- F. Cause of Death:** Jumped out of the ladder onto the concrete where it expired.
- G. Future and Preventative Measures:** Reinstalled a section of netting to prevent fish from jumping through.

Photos Taken: None.
