...MUCH COLDER THIS WEEK...

A COLD AIR MASS MOVING INTO THE PACIFIC NORTHWEST WILL BRING  
 TEMPERATURES WELL BELOW NORMAL. A STRONG COLD FRONT WILL MOVE  
 THROUGH THE AREA TONIGHT AND TUESDAY. HIGH TEMPERATURES TUESDAY  
 THROUGH SATURDAY WILL BE IN THE 30S AND 40S. OVERNIGHT LOWS WILL  
 BE MOSTLY IN THE TEENS AND 20S. HOWEVER SOME LOCATIONS COULD SEE  
 LOWS ZERO TO 15 TUESDAY AND WEDNESDAY NIGHTS. SNOW IS LIKELY LATE  
 WEDNESDAY NIGHT INTO FRIDAY.

...MUCH COLDER TEMPERATURES AREA WIDE AND WINDY CONDITIONS IN THE  
COLUMBIA RIVER GORGE BEGINNING TUESDAY...

...A CHANCE FOR WINTER PRECIPITATION FALLING IN VALLEY LOCATIONS  
IN AND NEAR THE COLUMBIA RIVER GORGE LATE WEDNESDAY AND THURSDAY...

A COLD FRONT DIVING SOUTHWESTWARD OUT OF THE CANADIAN ROCKIES  
WILL BRING MUCH COLDER TEMPERATURES TO THE REGION BEGINNING  
TUESDAY. MANY LOCATIONS WILL EXPERIENCE THEIR FIRST FREEZE OF THE  
YEAR TUESDAY NIGHT.

AREAS NEAR THE WEST END OF THE COLUMBIA RIVER GORGE WILL LIKELY  
EXPERIENCE VERY WINDY CONDITIONS TUESDAY AND WEDNESDAY. RESIDENTS  
NEAR THE MOUTH OF THE COLUMBIA RIVER GORGE...PARTICULARLY IN  
CORBETT...TROUTDALE AND GRESHAM SHOULD BE PREPARED FOR POWER  
OUTAGES LATE TUESDAY AND WEDNESDAY. HIGH PROFILE VEHICLES WILL  
ALSO NEED TO USE EXTRA CAUTION WHEN TRAVELING ALONG INTERSTATE 84  
BETWEEN INTERSTATE 205 AND BONNEVILLE DAM...AND OVER THE GLEN  
JACKSON BRIDGE ALONG INTERSTATE 205 DURING THIS PERIOD. IN  
ADDITION...LOCATIONS AWAY FROM THE COLUMBIA RIVER GORGE ALONG THE  
CASCADE FOOTHILLS MAY EXPERIENCE UNUSUALLY STRONG WINDS TUESDAY  
NIGHT.

CONSIDERABLE UNCERTAINTY EXISTS...BUT CONFIDENCE IS SLOWLY GROWING THAT A LOW PRESSURE SYSTEM WILL MOVE TOWARDS THE OREGON COAST WEDNESDAY...AND SPREAD PRECIPITATION OVER THE AREA LATE WEDNESDAY INTO THURSDAY. THERE IS A CHANCE SOME COMBINATION OF SNOW...SLEET AND FREEZING RAIN WILL FALL ACROSS THE COLUMBIA RIVER GORGE...AND POSSIBLY EVEN ACROSS THE NORTHERN WILLAMETTE VALLEY INCLUDING THE PORTLAND METRO DURING THIS PERIOD. PLEASE CONTINUE TO MONITOR THE LATEST WEATHER FORECAST AS ADDITIONAL DETAILS EMERGE. MOTORISTS SHOULD BE PREPARED FOR WINTER-LIKE DRIVING CONDITIONS LATER THIS WEEK.
