

# **SYSTEM CONFIGURATION TEAM MEETING**

**July 21, 2016**

**Thursday, 9 am to Noon**

**10<sup>th</sup> Floor, Mt. St. Helens Conference Room**

**NMFS Office Building**

**1201 NE Lloyd Blvd, Portland**

**Conference Call-in line (503) 326-7669**

## **Agenda:**

- 1. Review the Updated FY 2017 CRFM spreadsheet. This will include an update on the Lower Granite juvenile bypass renovation and outfall construction schedule.**
- 2. SCT Members will score the 2017 CRFM Spreadsheet Line Items. This annual process provides the COE with Regional Recommendations on funding priorities.**
- 3. Summary update of recent FFDRWG and SRWG meetings and the future meeting dates.**

**The Walla Walla FFDRWG will be meeting on August 25, 2016, and the Lower Snake temperature modeling group meeting on August 24 in the afternoon, also in Walla Walla.**

- 4. Schedule conflicts have been voiced for the next meeting on August 18, 2016. SCT chair recommends cancelling the August meeting and reconvening on September 15, 2016.**
