

# **SYSTEM CONFIGURATION TEAM MEETING**

**July 20, 2017**

**Thursday, 9 am to Noon**

**Mt. St. Helens Room, 10<sup>th</sup> Floor**

**Conference Call-in line (503) 326-7669**

## **Agenda**

- 1. Review/discuss updates to the FY 2018 CRFM project list and begin scoring spreadsheet line items in order to prioritize list.**
- 2. Previous SCT meeting, June 15, 2017, information requests and questions to address while going through the spreadsheet:**
  - a. McNary TSW leaf closure (line item # 13) – Follow-up request from the June meeting to detail what the \$2.5 mil covers.**
  - b. Surface Passage Modifications at Lower Granite (line item # 24) – Follow-up from June meeting for COE progress with contract for RSW maintenance.**
  - c. Snake River Adult Sockeye passage initiatives (line item #29) – Follow-up from June meeting to discuss options for adult ladder cooling at Lower Monumental and Ice Harbor.**
  - d. Update on the development of a justification paper for improvement to the trap diversion gate at Lower Granite.**
- 3. ERDC Physical Hydraulic Modeling Schedules for spill pattern work.**
- 4. Updates from FFDRWG & SRWG, and future meeting dates.**
- 5. Next SCT meeting scheduled on September 21, 2017, no meeting in August unless a conference call is needed.**
