Planning, Programs and Project  
Management Division

Dear WATER Fish Passage Team representative:

The 90% package of plans and specifications for the Fall Creek adult fish facility are available for your review. A CD with the review materials was hand delivered to WATER representatives on July 23 (NMFS, ODFW, BPA, USFWS and CTGR).

Please send written comments on agency letter head no later than August 24, 2015. To facilitate completion of your review, USACE will preview the plans and specifications at the August 4<sup>th</sup> WATER Fish Passage Team meeting. A meeting agenda will be emailed to WATER prior to this meeting.

Thank you for your continued participation in the Willamette BiOp implementation process. If you have questions, contact David Leonhardt, a member of my staff, at (503) 808-4786, or email at david.s.leonhardt@usace.army.mil.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joyce E. Casey".
