

You are in Salmon Country. Please protect these fish.

These salmon were transported from below the Corps' Willamette dams and released into their historic habitat to support their recovery.

Please leave these salmon alone.

Current fishing regulations prohibit angling for and/or harvesting these salmon.

Learn more about what you can do to support salmon recovery: www.westcoast.fisheries.noaa.gov

**Report salmon
poaching (or other
illegal activities) to
Oregon State Police:
1-800-452-7888**

**NOAA
FISHERIES**

**US Army Corps
of Engineers**

Adult salmon are collected and released to spawn above the dams.

Juvenile salmon migrate downstream to the ocean.
