Proposed Meeting Agenda

Meeting Purpose: To discuss and reach consensus on research, monitoring and evaluation needs of the Willamette system and projects to support decisions that will be made by managers.

9:00   Welcome, Housekeeping, and Updates

- Approve 10/4 and 10/26 meeting summaries
- 10% drafts of Sub-basin RM&E Plans – any comments/thoughts to share?
- Update from NMFS/ODFW regarding potential use of summer steelhead for a telemetry study in 2019
- Other regional updates?

Presentation & Questions on Middle Fork Chinook Pre-Spawn Mortality Proposal

FY18 Concept Presentations to Steering Team

- The Steering Team is working on clarifying funding rationale for a number of concepts and would like more information on those concepts. The Corps and NMFS thought it would be helpful to provide short (5minute) presentations on the concepts at the December 5ᵗʰ Steering Team meeting. (Following the presentations the Corps will clarify the funding rational for each concept.)
    - Those studies include: FMWQ-18-02, FMWQ-18-01, JPL-18-01, APH-18-02-SYS, JPL-18-02-SYS, JPL-14-01-SYS
    - As a team, clarify the highlights to present for each study, including:
        - Context for decision or action
        - Purpose of the study
        - Information generated from the study
    - Identify who will present on each study at the December 5ᵗʰ meeting

LOP HOR Workshop take-aways and group recommendations

- Update on workshop notes
- Discuss ideas of a potential LOP HOR study – see list of study ideas from workshop notes
    - Refine study idea/develop concept paper?
- Is there a need to update the draft Middle Fork RM&E Plan?
- What information needs to be shared back with the Steering Team and when?

Next Steps & Action Items

1:00   Adjourn

Meeting times are provided as a suggestion, however, will be adjusted as necessary to meet the needs of the group.
