

Fish Passage Plan (FPP) Change Form

Change Form # & Title: 25IHR004 – STSs and VBSs Amp Reading Clarification
Date Submitted: 13-DEC-2024
Project: IHR
Requester Name, Agency: Ben McArthur, USACE
Final Action:

FPP SECTION:

Chapter 6 (IHR), section 2.3.2.2.iv. Juvenile Facilities – Fish Passage Season – STSs and VBSs

JUSTIFICATION FOR CHANGE:

Clarify to only require Amp reading for STSs that are in run/cycle mod on units that are operating. Reducing startup/shutdown cycling of STS motors that are not being ran or are in units that are out of service.

PROPOSED CHANGE: *Edits to existing FPP text in “track changes”.*

2.3.2. Juvenile Facilities – Fish Passage Season (April 1 – 3rd week of December).

2.3.2.2. STSs and VBSs.

iv. Record STS amp readings daily for STSs that are in Continuous Run or Cycle mode on units that are in service.
