

## **Fish Passage Plan (FPP) Change Form**

---

**Change Form # & Title:** 25IHR008 – Remove Section 2.3.2.7  
**Date Submitted:** 13-DEC-2024  
**Project:** IHR  
**Requester Name, Agency:** Ben McArthur, USACE  
**Final Action:**

---

**FPP SECTION:** Chapter 6 (IHR), section 2.3.2.7.

**JUSTIFICATION FOR CHANGE:**

Section is a holdover fragment from a previous version and is not complete or necessary to retain. The contents/subsections of this heading were moved to a different section portion of the FPP. The heading with no contents has been held over through the revisions but serves no purpose.

Descriptions for maintenance and inspections is included in each of the preceding sections. Also, there are no other references to “fish facilities monitoring plans”. Weekly fish facility checks are conducted according to FEM maintenance criteria and logged as such.

**PROPOSED CHANGE:** *Edits to existing FPP text in “track changes”.*

**2.3.2. Juvenile Facilities – Fish Passage Season.**

~~2.3.2.7. Inspect all facilities according to fish facilities monitoring plans. Record all maintenance and inspections.~~
